Legal assistance for you and your family Aetna Resources For LivingSM

Many people avoid the legal system. They may fear it's too complicated or it'll cost too much. Yet many common issues around marriage, divorce, custody, child support and more can become legal matters. If you're faced with a legal issue, you don't have to go it alone.

Affordable legal help

Your legal assistance benefit provides one free initial 30-minute phone or face-to-face consultation with a network attorney per separate legal matter, up to three issues per year.* If you decide to continue working with the attorney, you can get a reduced rate. You'll be given details before incurring any charges.

Easy access

Simply call us to request a consultation. We'll talk to you about your situation and refer you to an experienced network attorney. And we'll check in with you again to make sure you're satisfied.

*Employees, spouses and dependent children up to age 26 (either in school or living in the same household) are eligible for the basic legal benefits.
